The wait is over - the new Neotek album "Sex, Murder & Rock n Roll" is here! It's been more than 14 years since the first album from Danish electro-act Neotek surprised listeners all over the world with a mix of dance-floor friendly club anthems, old-school EBM and electro-industrial tracks. Classics like "Mind-Travelling" and "Pink Noise" even hit the American alternative Top 10 dance charts and have been featured on many compilations to follow. Now Neotek, signed to Black Rain Records, are back with an even more surprising album - an electronic work of art where no musical boundaries or conventions are upheld. The album consists of 11 uncompromising and diverse tracks drawing on the traditions of Industrial, Electronica, Rock, Hip-hop and a lot of other genres to create its own unique eclectic musical mix. 11 well-produced tunes with lots of creatively crafted electronic sounds. 11 haunting melodies full of imaginative song writing. 11 lyrical stories for your inner movie of 11 human beings pushed to the edge and how they deal with the extreme situations they are in. 11 songs about "Sex, Murder & Rock n Roll"! The first pressing of "Sex, Murder & Rock n Roll" contains an extra DVD (playing time 120 minutes) with several videos documenting both the band and their live energy, plus 5 extra tracks and a whole new take on how to provide album information. Released by Black Rain on November 27th 2009.

side projects/slideshows:

- Pentenziagite: Computerreich (1989)
