Combining the freestyle of Jazz and the sampling of Electronic music, Nu Jazz music derived from Acid Jazz, coupled with the spirit of retro and fashion mixture. Simply chill down to listen, the beats always excites our soul. Now, highly acclaimed Weekend Nu-Jazz series bring the third generation to life, the best artists including Kinny feat. Diesler, Baby Charles, Club Des Belugas...and so on. 2CD features the fantastic 21 songs. This is your weekend night, groove along with Weekend Nu-Jazz 3, and experience the newest heartbeat and breath.
