Solid Sounds is the upfront club compilation featuring essential club music only in the uncut, long versions. This year's first edition features exclusive and brand-new floorfillers from artists like Dennis Ferrer 'Hey Hey', Sound of Stereo's 'Zipper' as well as the new Dr Kucho! single 'Funkatron' and the upcoming Dutch dj-collective Boemklatsch with their first single 'Spikkeltjes' in The Subs remix.

Solid Sounds also offers the best electro and fidget slammers like Laidback Luke & Lee Mortimer 'Blau!', Dada Life 'Let's Get Bleeped Tonight' and Afrojack's stunning remix of the Larry Tee track 'Let's Make Nasty'. Definitely check out Hatiras' disco electro track 'Your Love', Riva Starr feat. Noze's balkan hit 'I was drunk' and the brilliant cooperation between Crookers, Soulwax and Mixhell with their killer release 'We Love Animals'.

Of course not only electro pumpers on Solid Sounds 2010-1 but also minimalish harmonious tracks like Oxia 'Whole Life', Reboot 'Enjoy Music' and Marc Romboy's Re-rub of the Abe Duque track 'What Happened'. Ramon Tapia, Vitalic, Butch, Reset Robot & Christian Smith, Steve Aoki, Peter Kruder, Anthony Collins, SIS and Boris Dlugosch complete the list of highly acclaimed artists that will set the tone for the first quality dance floor and Solid Sounding compilation of 2010.
