Background

- An international DJ with a career spanning 15 years, Anthony Pappa is amongst a small elite of DJs who enjoy a global appeal
- From his native Australia to Eastern Europe and North America, Pappa is one of the most respected figures on the club scene
- This second volume, on Pappa's own Red Light District, follows 2008's critically acclaimed debut

Key Selling Points

- Moments Vol. 2 is classic Pappa as he seamlessly assembles elements of deep house, tech house, techno and progressive
- Features tracks from Robert Babicz, Quivver, Silicone Soul, Mark Broom, D'Julz, Gus Gus, Jim Rivers, Stel and Reset Robot
- Includes tracks from leading labels within their genres including Soma, Liebe Detail, Systematic, Yoshitoshi, Vapour and Sprout
- Previous albums for Global Underground, Renaissance, Balance and 2008's debut Moments CD have all sold over 5000 copies
- Anthony Pappa has hosted a monthly "Moments" radio show broadcast on leading internet station Proton Radio since 2007

Promotion & Marketing

- Feature secured in DJ Mag around two dates on Anthony's current European tour. Reviews confirmed in DJ, IDJ and M8
- News pieces confirmed for publication across main electronic portals including 365Mag, Datatransmission and Trance.NU
- Exclusive 60 minute mix for John Digweed's globally syndicated Transitions radio show to be broadcast 11th July
- New release e-card mailings to 100,000 database of subscribed members plus viral marketing campaign across message board
