VOID KAMPF - Severe Mais Juste

Power Electro Body...

The French & Belgian EBM communities are quite tight and tend to stick to the "roots" of the Electronic Body Music sound. France's Void Kampf does exactly that, and keeps the "Body" in EBM, as any fan that attended a live performance can attest to. In February 2010, Void Kampf releases powerful sound on the world with the album, Severe Mais Juste.

The album contains 14 original tracks, 6 remixes. Guest re-mixers include; Signal Aout 42, Darkmen, Steril, Autodafeh, & KBereit.

Over an hour of music, this album is sure to hit the dance floors hard with their clean, well produced electronics and aggressive vocals and a Void Kampf attitude.

Void Kampf are:

- Mr. Body 1998 (Music, Lyrics, & Vocals)
- Mr. Body 2000 (Music, Lyrics & Vocals)
- Mr. Body 2004 (Lyrics & Vocals)
- EBMnator (Live Drums & Tech. Support)
- Der Gregolini (Live & Technical Support)
