After a year of touring and the release of their groundbreaking EP "re:lecto", Autodafeh brings forth their newest masterpiece of Electronic Body Music the full length album entitled, Identity Unknown. The new album offers fans 13 all new tracks of hard hitting, intelligent electronic brilliance. Supporting artists on this release include Claus Larsen (Laetherstrip), Daniel B. (Front 242), Xian Austin (Hardwire), and Evil E. Home based in Sweden, Autodafeh is a trio consisting of Mika Rossi, Jesper Nilsson, and Anders Olsson. After their debut album and EP releases found massive success in the European underground charts, the men have been traveling, performing live for their ever growing fan base. They have gone from being the supporting act for inspirational artists such as Front 242, to now being themselves the headliner act.
